## President's Message – August 2018

Hi everyone!

I hope you all have been enjoying time with your families and friends this summer. I am certainly looking forward to a little bit of fall weather after all of these hot summer days!

A brief introduction of myself, I am a graduate of the University of Northern Iowa, and worked for the State Auditor's Office for 9 years before joining the Department of Administrative Services – State Accounting Enterprise in 2008 where I am a member of the GAAP Team. I am excited to serve as the Des Moines Chapter President for the 2018-2019 year.

We are working on developing an exciting schedule of training opportunities for the 2018-2019 year. A few of the speakers and topics lined up thus far include, Jennifer Campbell from the State Auditor's Office speaking on recent frauds, Brian Bradour from the Department of Administrative Services – State Accounting Enterprise speaking on Income Offsets, and Scott Lockwood from the Department of Revenue speaking on detecting fraud on tax returns. If you have suggestions for speakers and/or topics, please pass that information along to our Education Director, Lisa Dooly, or me.

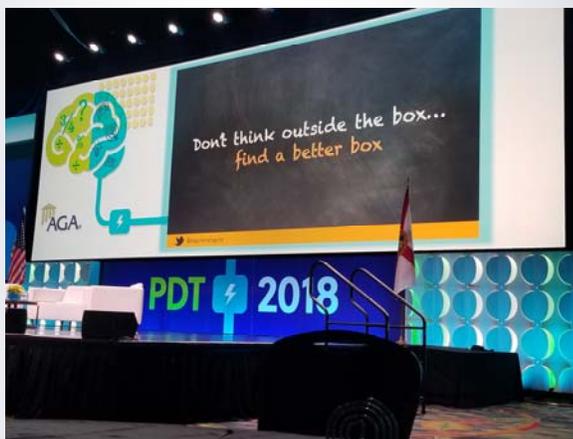

I hope to see you at our first lunch n' learn and webinar on September 12<sup>th</sup>. Enjoy the rest of the summer!

Kim Knight, CPA  
Chapter President

Season of Success! 2018 CGFM Exam Promotion

CGFM candidates, take any CGFM exam in August or September and receive a promo code for 50% off any CGFM exam taken before the end of the year.

Here's how it works:

1. Take any CGFM examination between August 1 and September 30, 2018.
2. Receive a promo code via email, which will give you 50% off the price of your next CGFM examination.
3. [Schedule and take](#) your next CGFM exam using the promo code by December 31, 2018.

Terms and conditions:

- A promo code will be *automatically* issued to all current CGFM candidates who take a CGFM exam between 8/1/18-9/30/18, and who still have to pass at least one exam.
- Promo codes will only be emailed to candidates on the following dates:
  - 8/15 – for exams taken 8/1-8/14,
  - 8/31 – for exams taken 8/15-8/30,
  - 9/17 – for exams taken 8/31-9/16,
  - 10/1 – for exams taken 9/17-9/30.
- The promo codes are not exam specific and can be used towards any of the three CGFM exams, as long as they are scheduled to be taken by 12/31/18.
- Each candidate will receive one promo code for each exam taken in the August-September timeframe. Candidates who take more than one exam during the timeframe of 8/1/18-9/30/18 will receive more than one promo code. No promo codes will be issued for exams taken before or after this period.
- To receive the 50%-off discount, promo codes must be used prior to payment when scheduling an exam online or over the phone with Pearson VUE. Adjustments to the exam price will not be made once the exam is scheduled or taken.
- Candidates do not have to pass an exam in the August-September timeframe, in order to receive a promo code.
- Promo codes are nontransferable and have no monetary value.
- To utilize the promo code, candidates must schedule and take their exam by 12/31/18. The expiration date of 12/31/18 will not be extended for any reason. Testing centers may fill up – candidates are encouraged to schedule their appointments with the promo codes as soon as possible.

## Historian's Corner, Janice Evans:

Do you remember the time before single audits of federal programs or when the state did not prepare GAAP financial statements? The following is what was in the July/August, 1990 AGA Ledger.

### President's Message

It's the July/August period and still we have rain! This is becoming an old story and I'm sure you have been stashing little vignettes **away** in the back of your mind to someday tell your grandchildren about 1990, the year of the strange weather.

We do that a lot, you know. We may not be able to remember an important anniversary or what we wore to work yesterday or where we put the car keys, but somehow, we do remember the weather. We also remember other things that happen that **we** don't really think are all that memorable at the time.

I remember one of the Des Moines Chapter of AGA's first educational seminars. It **was** about the Single Audit Concept and I remember the feeling that this would have a big impact on our profession. I remember a speaker at one meeting telling the AGA members that the State of Iowa would one day have GAAP Financial Statements. Probably the most important of all the things that flash back from that little place in the back of my mind, are the thoughts of the wonderful people I have met at AGA meetings. Some of the members are retired now. Others, I have watched as they have grown in their organization and in **AGA**.

\$272 was donated by members in July for the Alzheimer's Association. The Chapter match was \$100 for a total of \$372. A match on the total was requested from National.

The charity for September and October will be AHeinz57 Pet Rescue and Transport. They are committed to saving homeless companion animals, assisting other shelters/rescues through rescue transports, offering in-home training to keep dogs in their current homes, and educating the public on the issues of over-population, responsible pet ownership and puppy mills. In addition to monetary donations, there is a list on the Chapter website of items to donate (paper towels, newspapers, blankets, etc).

The Chapter is participating in the Walk to End Alzheimer's on August 25. Kim K reminded CEC members if they would like a team t-shirt to let her know and she will email the information. Register for the August 25, 2018 Walk to End Alzheimer's [here](#). Under "Join a Team or Make a Donation", enter "Joyful Walkers" under "Find a Team". ### President's Message – August 2018

Happy Fall!!!

This is a busy time of year for many of us – with GAAP packages, budgets, auditors conducting field work, etc. Even with our busy schedules, we had a really great turnout at our September training: 27 attended the lunch 'n learn on *Recent Frauds* and 17 attend the webinar titled *Communicating Effectively in an Evolving and Transitioning Workforce* that followed. Our October training was also a big success where we listened to Brian Bradour speak about the *Income Offset Program* that his team at the Department of Administrative Services – State Accounting Enterprise manages; followed by the webinar on *Internal Control*.

On November 28, we will have Scott Lockwood from the Department of Revenue speaking on *Income Tax Fraud Prevention, Detection and Results*, followed by a webinar on *Ethics*. This is sure to be an exciting afternoon of continuing education!

Please note we will not be hosting any training events in the month of December. We are working on finalizing plans for an exciting first half of 2019, including lunch n' learns, webinars, and the all-day spring seminar on April 11.

See you in November!

*Kim Knight, CPA*  
Chapter President

Do you remember when AGA was the Federal Government Accountants Association (FGAA), which was prior to Des Moines becoming a chapter.

The National AGA website is a resource for a lot of information. I recently discovered the History section of the AGA National Website.

Following are a few tidbits from the organization's history.

December 1978 - Another state capital chapter forming in Des Moines, with 21 potential charter members.

February 1979 - AGA Welcomed its 85th chapter in Des Moines in January with 21 charter members.

### President's Message – December 2018

Looking back on the year, 2018 has been a great year for the Des Moines Chapter! In the first 11 months of the year, **nine** new members have joined the Des Moines Chapter (7 state, 1 city and 1 federal)! The Chapter currently has 66 active members. We have had some really great lunch 'n learn speakers this fall, including speakers from the Office of Auditor of State in September (27 attended), Department of Administrative Services in October (35 attended) and Department of Revenue in November (38 attended). This is an average of 33 per lunch 'n learn. WOW!!!

Our attendance numbers had us looking for conference rooms that could accommodate the larger numbers. November's lunch 'n learn took us to the State Capitol for the first time. Scott Lockwood shared some very interesting information about the fraud prevention and detection techniques the Department of Revenue uses when reviewing e-filed individual tax returns.

Next up, in January, we will again be in the State Capitol, Room G15 for the lunch 'n learn and webinar on January 9. Karen Austin, Deputy Treasurer will be speaking on an Overview of State Treasury Activities. A webinar on Grants Management will follow. Please also note we will be hosting a NASACT webinar, titled GASB's Preliminary Views on Financial Reporting Model Improvements and Soon-to-be-released Implementation Guides, on January 24 in the Grimes Building.

Members – be sure to check out the January 10, 2019 Financial Systems Summit. This is an annual event hosted by AGA in Washington, D.C. and members have the opportunity to attend for free and earn 6 hours of CPE!

I wish you and your families a happy holidays and I look forward to seeing you at our events in January!

*Kim Knight, CPA*

## Historian's Corner, Janice Evans:

Do you remember when there were less than a dozen Governmental Accounting Standards Board (GASB) statements and state legislation regarding deficit balances was passed? The following President's message written by Calvin McKelvoque was in the December 1992 AGA Ledger.

The Governmental Accounting Standards Board (GASB) is currently deciding the fate of the implementation of Statement No. 11, Measurement Focus and Basis of Accounting for Governmental Funds. As originally scheduled, this Statement would have been effective for the State's 1995 fiscal year, but the GASB recently voted to delay the implementation date for an indefinite period. This Statement has major ramifications upon governmental accounting, basically moving from a modified accrual basis of accounting to an accrual basis.

In the past year the Iowa Legislature passed legislation that requires the State to eliminate the GAAP deficit by the end of FY 95 by actually eliminating some GAAP accounting problems and using the material positive impact the State will get from the implementation of Statement No. 11. So as you can imagine, we are currently monitoring the GASB's activity related to this project and are attempting to work with the GASB to develop some alternatives so that we can still meet our FY 95 goal of eliminating the GAAP deficit.

**Historian’s Corner, Janice Evans:**

Do you remember when AGA National Promoted Research Projects with a possible grant. The following was in the February 1987 AGA Ledger.

**AGA NATIONAL PROMOTING RESEARCH PROJECTS**  
 AGA’s National Research Board announced 17 of its chapters in 7 regions submitted plans to undertake Chapter research studies during FY87. As an incentive to encourage AGA members to participate in research projects, the National Research Board has made \$10,000 available for research funding for this fiscal year, as a means to encourage research in government financial management by providing financial support for selected projects. Currently, AGA members from Des Moines Area Community College are reviewing this grant proposal and welcome any AGA member to participate in documenting a proposal to secure this grant award, which if approved and completed will give recognition to our chapter, as well as to individuals who participate in the project. Project proposals must be submitted by April 15, 1987 and must be concerned with "research in government financial management." Anyone interested in assisting or who might have recommendations on a specific plan or approach, please contact Irv Steinberg at DMACC (phone 964-6319).

National AGA’s website now encourages research sponsorship and also includes Research Series Reports on a variety of topics.

### President's Message – April 2019

Hi everyone!

We had a great spring conference on April 11 – which included 4 very interesting speakers! We kicked off the day with AGA National President, John Lynskey speaking on Professional Resiliency. Iowa Department of Administrative Services (DAS) Director, Janet Phipps spoke on The Art of Leadership – What Is It? GASB Chairman, David Vaudt spoke about several upcoming new projects and standards, including Fiduciary Activities and Leases. And, DAS Training & Development Specialist, Kim Hanson provided 4 lively hours of ethics training. Thank you to all of the Chapter Executive Committee (CEC) members for your hard work in organizing such a great day! Surveys will be distributed soon – please take a few moments to respond and let us know how we did.

Several CEC members will be traveling to Kansas City for a few days in late April to attend the LEAD! 2019 conference put on by AGA National. This conference will include the first meeting of the National Council of Chapters (NCC). I will serve as the 2019-2020 NCC Representative for the Des Moines Chapter. I look forward to reporting back to the CEC as well as our members about the information learned at this meeting.

I am excited to report that we have a full slate of officers for the 2019-2020 Des Moines Chapter. This coming year will be the first in many years that we have been able to fill the Young Professionals Director position. In addition, the CEC will have 6 new members who have not previously served on the CEC. This is so exciting!!

Thank you for your continued support of the Des Moines Chapter!  
Happy Spring!!!

Chapter President

Chapter President Kim Knight gave AGA National President John Lynskey a tour of the Iowa State Capitol.

### AGA Des Moines Chapter Member Spotlight—Kent Farver

- Q) How long have you been a member of the AGA Des Moines Chapter?  
A) Great question. It would have been around 2005-2006, as I moved from the City of Des Moines to the State Auditor's office and found out about AGA.
- Q) How did you first learn about AGA?  
A) When I joined the State Auditor's office, I found out about the organization through the training opportunities that staff participated in.
- Q) What organization do you currently work for and what is your title?  
A) I currently work as the Director of Finance for the Iowa Judicial Branch. I began here in September 2018. Prior to that, I was the Director of Finance with Metro Waste Authority.
- Q) What college did you attend? A) I graduated with a Bachelor of Arts Degree in Human Behavior from Grand View College in 1996 and in Accounting in 2003. In between, I completed the Master of Public Administration program at the University of Nebraska at Omaha in 1999.
- Q) Favorite Ice Cream Flavor? A) I try not to eat it often, but I like mint chocolate chip.
- Q) Favorite Sport? A) I love to watch all sports, but baseball is still my favorite. College football would be a close second. I have a son who plays baseball and a daughter who plays softball, so plenty of opportunities to watch!
- Q) Ideal Vacation? A) A spring training trip, baseball and warm weather are a good combination.
- Q) Early Riser or Night Owl? A) I am definitely better at staying up late than getting up early.

**Historian’s Corner, Janice Evans:**

Do you remember when the minimum wage was \$3.80 or the subminimum wage was \$3.35? The following article was in the April 1991 AGA Ledger.

**MINIMUM WAGE GOES UP APRIL 1**

For employees subject to the federal wage-hour law, a new minimum of \$4.25 takes effect as of April 1. Since last April 1, the minimum hourly rate has been \$3.80. The subminimum wage, which employers are permitted for a limited period to pay newcomers to the labor market, age 16-19, goes up to \$3.61 from \$3.35.

The minimum wage was enacted in the United States in 1938 as part of the Fair Labor Standards Act. The first minimum wage was 25 cents an hour. The federal minimum wage of \$7.25 per hour has not increased since July 2009. The [Department of Labor’s web-site](#) indicates the state minimum wage for 29 states exceeds the federal minimum wage, 16 states are the same as the federal minimum wage, and five states have no minimum wage.

### President's Message – June 2019

I want to extend a huge **thank you** to all who served on the 2018-2019 Chapter Executive Committee (CEC). We had a great year with many awesome training opportunities, including an 8-hour spring conference that included GASB Chairman, and former Iowa State Auditor, David Vaudt, and AGA National President John Lysney.

If you haven't served on the CEC in the past, I strongly encourage you to consider opportunities as they become available. Each year in late winter we begin recruiting individuals to fill vacant positions on the CEC. I have held several positions, including Secretary, Communications Director, Community Service Director and Chapter President. I never thought I would want to hold the Chapter President position; however, it was one of the most rewarding positions and it provided me several opportunities to travel to leadership and professional development training (PDT) throughout the country. I have been to Kansas City twice, Denver, Orlando, and soon will be traveling to New Orleans for my last PDT. Serving on the CEC provides a wonderful opportunity for networking and developing your leadership skills!

Wow, it is hard to believe my year as Chapter President is about to conclude. I have truly enjoyed the opportunity to serve the Chapter. This coming year I will be the Chapter's representative on the National Council of Chapters (NCC). This is a 73-person council with a representative from each chapter. It will be an exciting year as we begin the new governance structure of AGA on July 1, 2019. You can learn more about the NCC [here](#).

The Chapter will be participating in the 2019 Walk to End Alzheimer's again this year. The walk is held annually at the State Capitol. We would love to have you all join us for the walk! We will be adding information to the Chapter's [website](#) soon on how to join team "Joyful Walkers." The walk is Saturday, August 24<sup>th</sup>.

Enjoy your summer!

### Historian's Corner, Janice Evans:

Do you remember AGA's Office of Minority Business Enterprise Courses (OMBE) Program? The May and June 1979 Des Moines AGA News listed topics for the 1979 National Symposium (now PDT) held in St. Louis in June 1979, which included various issues in accounting, auditing, internal controls, time management and the OMBE Program. The following information about the OMBE program is from National AGA's website.

**September 1974** – OMBE program enters its third year of providing training to minority businessmen in 10 cities across the country. **June 1976** – The OMBE program continues with 30 chapters participating and 42 courses offered. AGA signs fiscal year 1977 contract with the Department of Commerce. **April 1977** - June 30, 1977 marked the fifth anniversary of the AGA/OMBE program. **January 1978** - Despite a sizable cut in the funding of this year's contract, AGA will maintain approximately the same number of OMBE courses as last year. **May 1978**, AGA was seeking a director of socio-economic activities in the National Office to oversee the OMBE program and other similar programs that may develop. **August 1978** – A new record was set with 50 OMBE courses offered. **April 1980** – The OMBE is replaced in the Department of Commerce by the Minority Business Development Agency (MBDA) and while Commerce indicates it does not intend to abandon the minority small business community, it seems clear that its level of support will be less than it has been in the past. How this will affect AGA's grant to provide local training to minority business people is unknown. **September 1980** – MBDA training is put on hold as AGA seeks other sources of funding after a shift in the Department of Commerce's priorities result in the agency's failure to renew AGA's grant. **October 1980** – The National Executive Committee (NEC) approved a plan to continue the MBDA program in conjunction with the New School of Social Research in New York. **March 1981** - The NEC made sharp cuts in AGA's operating budget to offset impending deficit at the end of the year, due partially to the loss of the MBDA grant. It appears that ended the OMBE/MBDA program.
