## PRESIDENT’S MESSAGE

We have again selected Toys For Tots as our service agency this fall. All change and donations received will be matched by the Chapter and donated to the organization.

The AGA Webinars have been greatly improved recently and AGA is promising to keep the quality at a high level. We were extremely pleased with the Sept 13 event on Auditing. We are trying the webinars with and without lunch to see what works best for you.

I appreciate your ideas and suggestions for programs this year and hope you will continue to keep those ideas coming. Let me know what we can do to focus on your professional needs.

# TOYS 4 TOTS

Our community service efforts for the final quarter of the year will be focused on assistance to the Toys For Tots.

The Marine Toys for Tots Foundation, an IRS recognized 501(c)(3) not-for-profit charity, is the authorized fundraising and support organization for the Toys for Tots Program. The Foundation provides the funding and support needed for successful annual toy collection and distribution campaigns. The Foundation staff is headquartered in the Cooper Center located just outside the main gate of Marine Corps Base, Quantico, Virginia, about 35 miles south of Washington, DC.

Local campaigns are conducted annually in over 700 communities covering all 50 states, the District of Columbia and Puerto Rico. The Commander, Marine Forces Reserve has under his command 153 Reserve Units located in 47 states. To cover all 50 states and more communities in each state, the Marine Toys for Tots Foundation selects Marine Corps League Detachments and Local Community Organizations (generally veteran Marines) located in communities without a Marine Reserve Center, to conduct Toys for Tots campaigns as part of the overall U.S. Marine Corps Reserve Toys for Tots Program.

While Toys for Tots Coordinators organize, coordinate and manage the campaign, the ultimate success depends on the support of the local community and the generosity of the people who donate toys.
