Immediate Past President – Marella Houghton

Marella Houghton received some comments about the fall PDT conference. The comments were as follows:

- The check-in & check-out process after each session should not be done. It was burdensome.
- The polling questions were liked because it broke things up and they felt like they were engaged in the conference. They felt that the polling questions should count as your attendance.
- Technical difficulties were bad in the beginning of the conference but by lunch time, the conference seemed to be running as intended.
- If there's a 2-hour session, the speaker(s) should be allowed to conduct the 2-hour session without a break in between but the sessions should not last longer than 2 hours before granting a break.

National Council of Chapters (NCC) Representative – Lesha Woods

Lesha Woods attended the last virtual meeting. Discussions included chapter resources, changes in chapter recognition points stressing that the new layout/program is easier and virtual conferences. It was stated that nationally, the different AGA groups are teaming up together to do conferences, which is a way of getting more miles out of your dollars. President Tiffani Dorsa stated that the point system is very high level and seemed simpler.
