

2020-2021

President's Message

I am so honored to be the Idaho Centennial Chapter President for the 2021-2022 program year. The pandemic has made the past year and a half challenging, but I am proud of how our membership has demonstrated its commitment to AGA. My goals for this program year are simple: member retention and young professional engagement.

The AGA National website outlines many member benefits, and Idaho Centennial Chapter members enjoy webinars, luncheons, and a two-day PD training every year, as well as opportunities to give back to Idaho communities.

Our young professionals are hugely beneficial to our chapter as well, and I'd like to focus on recruiting more of our near-future workforce so they can feel prepared for their careers ahead.

Sincerely,

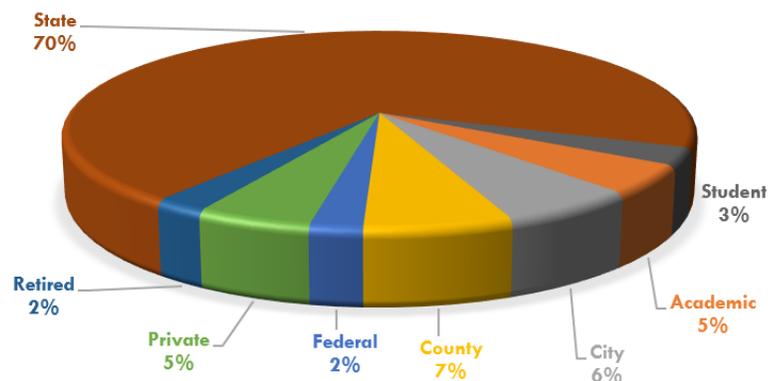

Sondra Chadd

Due to the Coronavirus pandemic the Idaho Centennial Chapter's finances have changed significantly over the past few years. With many of our events being cancelled or going fully remote, costs look very different in FY2021 than they did in FY2019. Our annual Professional Development Training (PDT) event, is the most significant cost for the Board and also the most significant source of revenue. The cost to host this event virtually was a fraction of the in-person cost. As such, the cost charged to participants was also decreased. While the totals have changed significantly, revenue over expenses has remained relatively stable from FY 2019 to FY 2021 at around \$9,000
