

Idaho Centennial Chapter Citizen-Centric Report

A REPORT TO OUR MEMBERS 2018-2019

From the President:

As the 2018 – 2019 President, I am thrilled to work with the board and continue the leadership that has made the Idaho Centennial Chapter such a success. Together, we have hit the ground running and developed a calendar that includes something valuable for all members.

None of this would have been possible without the continued support and efforts of our members, sponsors, past and current board members. My hat is off to all of you for the enthusiasm and commitment to the profession for credible and transparent government accounting.

I encourage you to visit our chapter website, attend a technical meeting or Professional Development Training in April of 2019, and consider pursuing the next level of certification as a Certified Government Financial Manager (CGFM).

Finally, please contact me or any other member of the Board of Directors with questions, feedback, or ideas. The Idaho Centennial Chapter of AGA is a success thanks to the contributions from all of its members, and I appreciate your support. Thanks for making this upcoming program year fantastic!

Sincerely,

Michael Pearson
