

GOVERNOR ARNOLD SCHWARZENEGGER

March 2007

Association of Government Accountants

On behalf of all Californians, I am pleased to extend my greetings to those observing "Certified Government Financial Manager Month."

The Association of Government Accountants boasts a proud fifty-seven year history of promoting fiscal accountability in every level of government. Your representation of public financial managers' interests has enhanced our state by providing a high standard of conduct. I commend your association's eight vital chapters in our state, and all of your members for the important work that you do to keep California strong.

I am also delighted to commend your Certified Government Financial Manager program that helps meet the need for continued education among your members. In our constantly evolving world of finance, the training you have provided to more than 13,000 individuals is invaluable.

Please accept my best wishes for a memorable observance and every future success.

Sincerely,

Arnold Schwarzenegger
