PRESIDENT'S MESSAGE

We are currently working on our educational schedule for the new year (AGA years start in July). Our Board (Chapter Executive Committee) is interested in expanding its membership and if you have any thoughts in that regard, we would love to have you stop by and provide any suggestions you might have. We fully understand the limited amount of time people have today and assume you have the same concerns. We can easily tailor what your activities would be with the chapter to the time you would be interested in making available.

Our next CEC meeting is Tuesday, August 15th at the Norseman Brewery about 5:15 PM. Hope you can make it.

Brain Teaser Answer :

Turn one light switch on, wait a few minutes, then turn it off and turn another light switch on. Go into the room and feel the light bulbs. The one that's still warm is connected to the switch that you first turned on, the one that is on was the second switch you turned on, and the last bulb is controlled by the switch that you didn't touch.

What is CGFM?

Certified Government Financial Manager® (CGFM®) is a professional certification awarded by AGA, demonstrating competency in governmental accounting, auditing, financial reporting, internal controls and budgeting at the federal, state and local levels.

What are the initial requirements?

To earn the CGFM, individuals must apply for the CGFM program and meet the following requirements:

[Ethics](#) — read and agree to abide by AGA's *Code of Ethics*

[Education](#) — have a bachelor's degree from an accredited college or university

[Examinations](#) — pass three comprehensive CGFM examinations

[Experience](#) — have at least two years of professional-level experience in government financial management

Maintaining CGFM Certification

To retain the CGFM certification, all CGFMs must adhere to the AGA's [Code of Ethics](#). In addition, to continue using the CGFM designation after their name, CGFMs must be in an active status.

Active Status

To maintain the CGFM certification in an active status, CGFMs are required to:

- Pay the CGFM renewal fee by the due date every year.
- Complete at least 80 hours of Continuing Professional Education (CPE) every two years in government financial management topics or related technical subjects (within the designated two-year cycle).
- Maintain and, if requested by AGA, provide detailed information on CPE hours completed.

By submitting their annual renewal payment, CGFMs affirm that they have and will continue to abide by AGA's [Code of Ethics](#) and that they have fulfilled the [minimum CPE Requirements](#).

BRAIN TEASER

See page 2 for the answer!

You are in a room that has three switches and a closed door. The switches control three light bulbs on the other side of the door. Once you open the door, you may never touch the switches again. How can you definitively tell which switch is connected to each of the light bulbs?

Three reasons you should attend:

1. **Earn up to 24 CPEs.** Enhance your lifelong learning, and gain the knowledge and understanding to better improve your job effectiveness.
2. **Stay cutting-edge.** Top-notch speakers from federal, state, local, academia and the private sector share key findings and educational experiences to augment your knowledge and enhance your skills.
3. **Network and connect.** Collaborate and engage with industry experts and government financial management colleagues facing the same or similar issues, and exchange ideas to bring back to your organization.
