Congratulations, Charlotte Metro Chapter!!

The Charlotte Metro Chapter received its Charter February 2024

The Charlotte Metro Chapter would like to say "Thank You" to everyone that help our Chapter to become part of the AGA Family. Specifically, our board members, those that signed our petition, and the AGA board members that voted for the new chapter. In February, we were granted the charter to officially operate our Chapter. Our team is more than ready, willing, and able to work with our State and local government representatives, along with the private entities, colleges and universities that service the Charlotte Metro Area and beyond. There would be no Charlotte Metro Chapter without your unwavering support. Our work is not complete, we take on the challenge to roll up our sleeves to get the work done and bring awareness about the Charlotte Metro Chapter to state and local communities. Again, we "Thank You" and look forward to meeting and working with you in the days and years to come.
