CITIZEN-CENTRIC REPORT 2024-2025 A REPORT TO OUR MEMBERS AND THE PUBLIC

OUR CHAPTER

The Montgomery Chapter of AGA has been a cornerstone of professional development in Alabama since its chartering on June 15, 1975. As the sole AGA chapter in the state, we boast a diverse membership that includes young professionals, students, retirees, as well as federal and state employees. Our chapter is dedicated to enhancing the skills and knowledge of our members through a variety of professional development opportunities. We offer training sessions and lunch-and-learn events, where participants can earn Continuing Professional Education (CPE) credits. Our activities are designed to foster growth, facilitate networking, and support the careers of those involved in government financial management.

COMMUNITY SERVICE

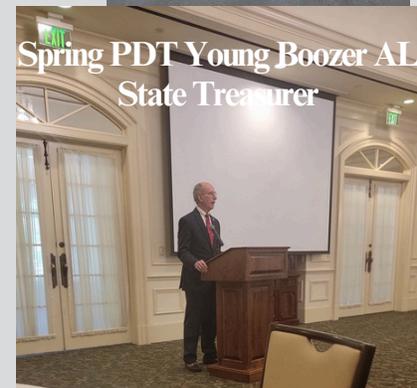

AGA the Montgomery Chapter is dedicated to making a positive impact in the community by supporting a variety of local charities. In a unique gesture of appreciation, they donate to a charity in honor of each speaker at their training sessions. This thoughtful practice not only recognizes the contributions of their speakers but also extends a helping hand to those in need. The Montgomery Area Food Bank, Books for Tots, Joy to Life, Aid to Inmate Mothers, and Brantwood Children's Home are among the commendable organizations they support, each playing a crucial role in addressing diverse community needs. Through these efforts, AGA the Montgomery Chapter exemplifies the spirit of giving and community engagement, reinforcing the importance of collaboration and support in fostering a better society.

FINANCIAL HIGHLIGHTS

Our Finances

The Montgomery Chapter is dedicated to fostering professional growth and community engagement. Each year, we organize two professional development trainings—one in the fall and another in the spring—designed to enhance the skills and knowledge of our members. In addition to these training sessions, we've reintroduced our popular Lunch and Learn events, providing an opportunity for members to gain insights while enjoying a meal at a minimal cost. Our chapter is committed to giving back; through the collection of local chapter dues, we are able to contribute to various charities and offer scholarships to deserving students. These initiatives not only support our members' continuous learning but also reinforce our commitment to making a positive impact in our community.

FUTURE OUTLOOK

Keep Excelling in Excellence

Increase Student/Young Professional Membership

Ensure that students and young professionals have an unparalleled opportunity to grow both personally and professionally. As a member, you'll gain access to a vibrant community of like-minded individuals, all passionate about advancing their careers in government financial management. The chapter provides numerous networking events, workshops, and seminars that can help you develop essential skills and stay updated on industry trends. By actively participating in these activities, you'll not only enhance your resume but also build lasting relationships with mentors and peers who can guide you in your career. Moreover, being an active member ensures you stay engaged and inspired, fostering a sense of belonging and commitment to your professional community.

SOCIAL/NETWORKING EVENTS

Organizing a bowling event for charity is a fantastic way to combine fun and philanthropy, while also fostering camaraderie among members. A meet and greet aspect can add a personal touch, encouraging attendees to connect and build meaningful relationships. To ensure a successful event, consider starting with a brief welcome speech to outline the purpose and beneficiaries of the charity, followed by introducing any key members or guests. You could organize teams to encourage interaction among those who might not know each other well, perhaps mixing newer members with long-standing ones. Adding some friendly competition, such as small prizes for the highest scores or most creative bowling technique, can enhance the excitement. Don't forget to set aside time for casual conversations, maybe with a designated area for refreshments where members can mingle and share their bowling experiences. This event not only promises to be enjoyable but also meaningful, as it supports a good cause while strengthening the sense of community within your group.

Promoting Certified Financial Manager CGFM

The Certified Government Financial Manager (CGFM) program is becoming an increasingly popular choice for financial professionals seeking to enhance their expertise and credibility within the government sector. This specialized certification is tailored to equip individuals with the knowledge and skills necessary to provide exceptional financial management and support to government entities. By pursuing the CGFM designation, professionals can demonstrate their commitment to excellence and their understanding of government financial processes and regulations. To support this journey, the program offers various incentives, such as reimbursements for examination fees and access to comprehensive study materials, making it an attractive and accessible option for those looking to advance their careers in public financial management.
